

## Adding Grade Level Texts in your Pearsonsuccesnet.com account

If you want to have access to additional grade level materials at Pearsonsuccesnet.com, you can add them by following this process:

Log on to Pearsonsuccesnet.com with your username and password.

Use the **Add New Products** page to register for a new product.

### To register for a new product:

1. On the **My Products** page, click **Add new products**. The **Add New Products** page appears.
2. In the **Access code** field, type the new product's [access code](#). If your code is for 4<sup>th</sup> grade your access code will end in **4B**. The **4** indicates the grade level. **To add another grade level, change the last numeric character to the grade you want to add. So, to add 3<sup>rd</sup> or 5<sup>th</sup> grade materials, type in your access code but change the **4B** to **3B** or **5B**, depending on the grade level you want to access.**
3. Click **Check code**. The **Add New Products** page updates and lists the names and types of all products that match your access code.
4. Confirm that the products in the list are the products you want to add.
5. Click **Save**.
